

COMMUNIQUE OF NIGERIA GOVERNORS FORUM MEETING OF 10th NOVEMBER, 2008

- 1. forum directs its technical committee on mdg to consult with OSSAP/MDG office to define clear terms of relationship in the conditions that will be operational for 2009 round of MDG conditional grant scheme.
- 2. forum having discussed exhaustively the global financial crisis and declining crude oil price vis a vis budget 2009, agreed to call on the chairman national economic council to call an emergency meeting to discuss strictly the emerging crisis.
- 3. forum agreed that the deteriorating security condition in the Niger delta required the intervention of states and the forum to work towards achieving lasting peace in the Niger-delta.
- 4. forum renews commitment to the passage of fiscal responsibility act and public procurement act by the states and effective implementation through technical collaboration with the international development partners.
- 5. forum agreed to set up a technical committee on constitutional review that will come up with a clear position of the forum and assist the national assembly in achieving an acceptable constitution for Nigerians.
- 6. forum renews its commitment to the implementation of the agreements reached with the Nigerian union of teachers (NUT) and once again thanks the leadership of the union for their understanding.
