

NAME OF MDA

1.1 Organisational Structure

MDA Operates with the following departments:

Attach a diagram indicating the structure of the organization

1.2 Relevant Legislation to the MDA

1.3 Core Mandates and Functions

1.4 Aspects of the mandates/Functions of the MDA shared with, or undertaken at Local Governments

Are there certain aspects of the mandates or functions of the MDA undertaken at the level of the Local Government? If yes, they should be documented in the table below:

S /N	Functions undertaken at the Local Government Level	Role of the State Government	Role of the Local Government

1.5 Perceived Areas of overlap in mandates with other MDAs

The MDA believes that certain functions it carries out are overlapping with the function undertaken by some MDAs. The table below shows details of such areas.

S /N	Overlapping function	MDAs with which they overlap	Aspects of the functions which are overlapping

1.6 Mandates Which the MDA Believes should be Transferred to it

The MDA would like the function shown in the table below transferred to it

S /N	Mandates/function which be better carried out by your MDA but are presently done by other	MDA which presently has the function but which you think would more naturally should be part of your MDA	Reason

17. Functions /Mandates which the MDA presently has but which it believes would be more logically or effectively performed by other MDAs

The MDA believes that the mandates/functions presently undertaken by it, and shown in the table below, would more logically or effectively performed by the MDAs indicated.....NA

1.8 Other Relevant Issues On Review of mandates

Observations and Recommendations in relation to effective mapping of mandates or synergy in the mandates of MADs in Yobe State.
